GLOBAL NOTES TO MONTHLY OPERATING REPORT

On October 9, 2018 (the “Petition Date”), Westmoreland Coal Company and its affiliated debtors, as debtors and debtors in possession (collectively, the “Debtors”), each commenced with this Court a voluntary case under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”). The Debtors are authorized to continue operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On October 18, 2018, the United States Trustee for Region 7 (the “U.S. Trustee”) appointed an official committee of unsecured creditors pursuant to section 1102(a)(1) of the Bankruptcy Code (the “Creditors’ Committee”).

The Debtors are filing their consolidated monthly operating report (the “MOR”) solely for purposes of complying with the monthly operating requirements applicable in the Debtors’ chapter 11 cases. The MOR should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtors or their affiliates.

These following notes and statements and limitations should be referred to, and referenced in connection with, any review of the MOR:

1. **Basis of Presentation** – For financial reporting purposes, the Debtors generally prepare consolidated financial statements, which include information for Westmoreland Coal Company and its Debtor affiliates. The financial statements and information contained herein are unaudited and preliminary. The Debtors are maintaining their books and records in accordance with generally accepted accounting principles (“GAAP”) and the information furnished in this MOR uses the Debtors’ normal accrual method of accounting. In preparing the MOR, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. Subsequent information or discovery may result in material changes to the MOR and errors or omissions may exist. Notwithstanding any such discovery, new information, or errors or omissions, the Debtors do not undertake any obligation or commitment to update the MOR. In preparing the MOR, the Debtors presented their Investment in Non-Debtor entities within the Equity section of the Balance Sheet for practical expedient purposes.
2. **Reporting Period** – Unless otherwise noted herein, the MOR generally reflects the Debtors’ books and records and financial activity occurring during the applicable reporting period. Except as otherwise noted, no adjustments have been made for activity occurring after the close of the reporting period.
3. **Accuracy** – The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors are not liable for and undertake no responsibility to indicate variations from securities laws or for any evaluations of the Debtors based on this financial information or any other information.
4. **Payment of Prepetition Claims Pursuant to First Day Orders** – Within the first week of the commencement of the Debtors’ chapter 11 cases, the Bankruptcy Court entered orders (the “First-Day Orders”) authorizing, but not directing, the Debtors to, among other things, pay certain prepetition (a) service fees and charges assessed by the Debtors’ banks and debit and credit card companies; (b) obligations related to customer programs; (c) insurance obligations; (d) surety bond program obligations; (e) employee wages, salaries, and related items, including independent contractor obligations; (f) taxes and assessments; and (g) obligations related to vendors able to assert liens. Payments made on account of such claims following the commencement of these chapter 11 cases were paid pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders.
5. **Liabilities Subject to Compromise** – As of the date of this MOR, the bar date for the filing or assertion of claims against the Debtors has not yet passed. Accordingly, the amounts currently classified as liabilities subject to compromise (i.e., pre-petition liabilities) are estimates and are subject to future change and adjustment.
6. **Reservation of Rights** – Given the complexity of the Debtors’ businesses, inadvertent errors, omissions, or over inclusion of contracts or leases may have occurred. Accordingly, the Debtors hereby reserve all of their rights to dispute the validity, status, enforceability, or executory nature of any claim amount, representation, or other statement in this Monthly Operating Report and reserve the right to amend or supplement this Monthly Operating Report if necessary, but shall be under no obligation to do so.
